Checklist of documents required for application

A. Project proposal

B. Itemised budget

C. CV of applicant (Including academic record)

D. Supporting letter from principal supervisor

A. Project Proposal *This should give an outline of the intended research with a clear indication of its relevance to the Trust's objectives, and the timeframe involved. This proposal should be typed in Times Roman 12pt and not exceed 4 pages.*

B. Budget *The budget should include the total costs of the research with separate items clearly costed and stated. Funds requested from the Trust must be clearly indicated and justified from the Project Proposal. Other funds or support obtained for the proposed research, and their sources, must be detailed also. Note that if the budget includes travel and/or accommodation, that the Trust has standard associated costs of vehicle usage at \$0.50/km, and field allowance of \$20/overnight.*
